

Property Requirement 2022/2023

Harrison Family Vets are seeking new locations throughout the **South of England**

Harrison Family Vets are seeking new sites across the South of England.

They are a family owned, independent practice providing pet healthcare that is second to none. Their aim is to make quality healthcare accessible and affordable.

Located in modern spacious buildings, their state of the art clinics boast extensive facilities including on-site laboratory, full x ray suite, operating theatres, and ultrasonography.

Recent openings include Reading and Birmingham.

Criteria:

- Southern England up to the Midlands
- 2,000-3,000 sq ft
- 8-10 dedicated parking spaces
- Modern buildings or those suitable for conversion, ideally prominent with some roadside frontage
- Densely populated residential areas

What we offer:

- 15 year unbroken leases
- Quick decisions
